Frodo

Surrendered to the shelter because of her declining health as a senior kitty, Frodo was rescued by PBJ and cared for in a loving hospice foster home for 7 months until she peacefully passed away this spring.

Goldblum

Tested positive for FIV, had temperament issues, and developed significant asthma before finding an incredible adopter

Shiloh

We are happy to announce Shiloh (our blind rescued pointer) has been adopted by his long term foster family and is loving his new forever home

Ms. Bigglesworth

After months of being in a shelter cage, depression set in. A true underdog who found a loving home through PBJ

Miss Tigger

Came to us needing emergency surgery for an abdominal infection undetected by her previous owner

William

An abandoned family pet, found alone, starving, with an upper respiratory infection and infected teeth came to know love from a PBJ volunteer in the last weeks of his life

Dixie and Marlie

At 11 years of age they found themselves in need of a new home when their owners were relocated out-of-state and were unable to take them along

Candy Corn

Came to us so shy she could barely be handled, but a patient loving foster eventually adopted her and she blossomed

Buddy

PBJ was instrumental in finding Buddy a loving new home when his elderly owner passed away

Gracie

A hard to trap stray, Gracie was diagnosed with significant heart disease; she was adopted to a loving home with her kitten Forest

Celeste and Banks

Became owner surrenders after a family member died and the family was going to euthanize

Gizmo and Furby

Lost their home due to the family's extended travel
